Dear Mr. Tabrizi:

I would just like to extend my sincere appreciation to you and the Parya Trillium Foundation for inviting me to be a Honourary Patron of the Parya Trillium Foundation.

I was very honoured to attend the "Building a Home to Call our Own" gala evening on Saturday, June 5th, starting off your ambitious capital fundraising campaign. This very successful event will go a long way to kick off the campaign to build a new and permanent community centre where Iranian Canadians can benefit from multiple services, including healthcare, education, arts and culture, sports and active living and as special programs for seniors and youth. I am extremely pleased that this new community centre will be located in Markham.

As Mayor, I am proud of your efforts and I am pleased to extend our best wishes on a successful fundraising campaign.

Yours sincerely,
